**DIGITAL PUBLISHER OF PHILIPPINE SPECULATIVE FICTION LAUNCHES
WEBSITE/BLOG**

EIGHT RAY SUN PUBLISHING, INC. today launched the website for Rocket Kapre Books, a digital publishing imprint dedicated to bringing the very best of Filipino-made Speculative Fiction (Fantasy, Science Fiction and other works of a fantastical nature) to a worldwide audience by means of affordable and accessible ebooks (stories contained in digital files that can be read from computers, smart phones or ebook readers).

Rocketkapre.com endeavors to serve not only as the online headquarters for the imprint, but also as a home for creators and fans of Philippine Speculative Fiction, incorporating an active blog that will showcase interesting links as well as generate exclusive content such as interviews, contests, writing tips and original fiction.

Rocket Kapre Books is run by Paolo Chikiamco, a Palanca Award-winning author and administrator of the Bahay Talinhaga blog, who has been published in venues such as the Digest of Philippine Genre Stories and the Philippine Daily Inquirer.
